

## MOONLIGHT AT THE MUSEUM: KIT LIST

### For All Girl Guide Participants and their Adult Guiders

This is a one-night Girl Guide event. Please bring the basics needed for a short overnight stay.

**Participants must pack your own bag** (parents/caregivers - please do not pack for your child without their involvement) so you know what you've brought and how to be responsible for it. Practice at home how to use your bed setup, e.g. how to inflate a mattress, how to stuff your sleeping bag back into its carrying case, etc.

Everything must be packed in **a backpack, duffel bag, or other appropriate luggage** that can be carried by the participant. Rolling suitcases are not recommended. Please do not pack in garbage or plastic bags; they tear open or get confused for trash. Parents/caregivers will not enter the site past the gate and youth bring their own gear into the village without help from an adult. Make sure bags can be carried (backpacks are easiest) and are sturdy.

**All belongings must be labelled with names, including a name tag on the outside of your bag.** This is a large event with several hundred participants expected. Label everything, or it is unlikely to find its way back to you or your family.

**Do not bring / not permitted / not necessary: Electronics, valuables, music players or speakers, food other than a bagged dinner, toys, pocket knives or lighters, or anything else that may affect everyone's experience, disturb others, or damage the heritage exhibits. Thank you for being a respectful and responsible Girl Guide camper.**

Wear to event: Girl Guide uniform, comfortable pants/bottoms, sweatshirt, running shoes, camp hat if desired

Water bottle

Bagged dinner to eat at dinner time

Basic single-sized camp mat; self-inflating or foam style  
*Do not send any extra tall or extra wide beds, mats requiring electric or battery pumps, or bulky/heavy folding or rolling futons that take up too much floor/tent space and usually cannot be carried by kids themselves.*

*YES: Examples of suitable mattresses.*

*NO: Examples of UNSUITABLE mattresses - do not bring.*

Warm sleeping bag

Camp blanket/poncho or a small throw blanket

Small pillow

Warm pyjamas

Flashlight or headlamp, and extra batteries

Small stuffed animal (optional)

Toiletries as required, e.g. toothbrush/paste, face cloth, brush/comb, hair ties, sanitary products, sunscreen

Silent/solo activity to do if up early (optional) - example: book to read or notebook to doodle in

Waterproof rain jacket - even if the forecast seems clear, be prepared!

Change of clothes for the return home
