CAMP SKILLS SESSIONS:

Session # 1: 10:30 a.m. - 12:30 p.m.	
<i>Campfires</i>	<p>This session is all things campfire related! This session includes safety measures to consider, including using an axe or hatchet, setting up a proper woodpile, and making fire starters to take back. You'll practice building and lighting your own fires, building confidence to instill in the youth you lead. Next, you'll learn campfire etiquette and how to generate a captive and inclusive singing campfire. Your group will be assigned to create a portion of the campfire Saturday evening. This could include teaching a new song, leading a yell or preparing and performing a skit for the Campfire Showcase.</p> <p>Feel free to bring campfire resources and small instruments for this session.</p> <p>For an additional \$10 we will provide you with a small instrument and campfire resource booklet including fire safety checklists, themed - campfire templates and over 100 inclusive songs, yells and skits for you to take home.</p>
<i>Outdoor Kitchens & Cooking</i>	<p>This session is all about Cooking at Camp. This session is a review of safety measures, what to pack in a patrol box, how to care for and properly use a propane stove, but the focus will be on creating your own box oven, no trace charcoal fires and buddy burners. For the Outdoor Cooking Showcase, your cooking constructions will be put to the test, for lunches but will be reuseable to take back to use with your unit. Additionally, you will learn how to prepare a "Garbage Can Turkey"</p> <p>This session requires you to bring a 25ft roll of heavy-duty foil, 1 large empty aluminum (coffee) can, 2 small empty (salmon) cans and a box of parowax.</p> <p>For an additional \$10, we will provide your materials to use and take home.</p>
Session #2: 1:30 p.m. - 3:30 p.m.	
<i>Orienteering</i>	<p>This session is all about how NOT to get lost! This session includes an introduction to map reading, compass reading, trail signs and whistle signals, all preventative measures to getting lost. Next you'll learn what to do in case you do! Your group will then work together to create a trail with compass bearings for another group to follow during the Orienteering Showcase.</p> <p>This session requires you to bring a working compass, a whistle and you may wish to bring a clipboard.</p> <p>For an additional \$10, we will provide your materials plus reference templates to use and take home.</p>

<i>Knots, Colours and Gadgets</i>	<p>This session is all about basic knots and how to use them to put up a flag and make simple gadgets. This session includes a lesson on tying a reef (square) knot, half hitch, clove hitch, sheet bend, slip knot, figure 8 knot and lashing. Next you'll learn how to use them when raising a flag, and creating gadgets. You will also become aware of how to undertake and command an official Colour Party as well as properly fold a Canadian Flag.</p> <p>The Knots, Colours and Gadgets Showcase will include the lowering of the Canadian Flag, folding the flag and a working display of the gadgets you've created such as tripods and boot or towel racks.</p> <p>This session requires you to bring a roll of twine.</p> <p>For an additional \$10, we will provide your twine, and you may keep your knots practice board and your gadgets.</p>

Session #3: 6:00 p.m. - 8:00 p.m.

<i>Tents and Tarps</i>	<p>This session is about sleeping in a tent and how to use tarps! This session includes a review about choosing a good location, parts of a tent, ensuring one "instructor" leads put up and tear down and knowing when it is okay to put it away. We will practice putting up a typical tent and take a look at proper care & damage prevention, including sealing seams and how to tarp it in case of severe weather. Next is a lesson on how to repair a tent, specifically a hole in the nylon or screen, replacing the cord in poles and splinting a broken pole as well as repairing or replacing other parts that wear. Then in small groups, you will build your own either dining area or emergency shelter for Saturday's evening Tents & Tarps Showcase.</p> <p>This session requires you to bring 10-20ft non-slip rope, a small-medium tarp, 4-10 tent pegs.</p> <p>For an additional \$10, we will provide all materials for you to use and take home.</p>
<i>Wide Games</i>	<p>This session is all about games! In this session, you will learn how to assess the terrain for risks, set boundaries and ensure youth are prepared! You will learn 3-5 new wide games, including some without much preparation or equipment. You will learn about games that are awesome when played in the dark, and for your Wide Game Showcase, your group will prepare and lead camp participants in playing the Saturday night game.</p> <p>This session requires you to bring a flashlight and whistle.</p> <p>For an additional \$10, we will provide you with a flashlight and whistle, two prepared games (Night Eyes and ManHunt) as well as a Wide Games resource book with over 100 games to take home.</p>

Session #4 - SUNDAY 10:00 a.m. - 12:00 p.m.

<i>Canoeing</i>	<p><i>This session requires participants to possess a valid Boater's Test in iMIS record prior to the start of camp.</i> This session is not an ORCKA certification, but rather an opportunity to learn and refresh yourself on the safety measures while boating (review GGC's Safe Guide and WA Forms required) and cover provincial regulations. Once on the water, participants will practice launching and strokes such as draw, pry, "C" sweep and "J" strokes. Next you'll get a chance to learn and play canoeing games, practice canoe carries and learn to secure canoes to the trailer for transportation.</p> <p>This session requires you to bring a fitted PFD (with whistle) and paddle.</p>
------------------------	---

	For an additional \$10, we will provide equipment RENTAL only.
SWAPS	<p>This session is all about Swapping! This session will cover Swapping etiquette, budgeting, how to make use of leftover craft supplies, and sharing of swaps/hattie ideas. There will be a chance to prepare kits as well.</p> <p>Participants are encouraged to bring their own swaps/hatties ideas (instructions and completed product) to exchange in this session.</p> <p>For an additional \$10, we will provide you with a completed swap template, complete instructions and 10 prepared kits to exchange or take home.</p>
