LOCATION OF CAMP

600 West Petpeswick Road, Musquodoboit Harbour

Driving Direction:

From Dartmouth, travel towards Musquodoboit Harbour on Highway # 107, when the highway ends turn right on to the # 7 Highway continuing towards Musquodoboit Harbour. Approximately ½ km past the hospital, turn right onto West Petpeswick Road. Keeping to the right, continue approximately 3 km. Entrance to Camp Kana'da is on the right; it is marked with a Girl Guides of Canada sign that is located on the left-hand side of the road directly across from the driveway. There are two fluorescent orange posts at the end of the driveway.

When you reach civic numbers in the high 500's **SLOW DOWN!** The driveway is easy to miss however we will have camp staff at the bottom of the driveway directing traffic during peak drop off and pick up times.

If you miss the driveway up to the camp, **DO NOT TURN AROUND IN THE NEXT DRIVEWAY.** There is a road just past on the right you can use for turning around. There has been a lot of damage done to the property next door due to turning in their driveway.
