How to use this form

- This form meets the [Safe Guide](#) requirement that Guiders obtain emergency contact and pertinent health information (e.g. allergies) prior to guests taking part in [Green activities](#) (page 20).
- This form contains personal information and must be destroyed/shredded after the activity.
- This form does not meet the requirements for [Yellow or Red activities](#). See [Permission for Participation by Guests](#) on page 20 of [Safe Guide](#) for information on what forms are required for Yellow or Red activities.

Online Registration

Bring-A-Friend or Recruitment-Focused Activities

- In general, any **Bring-A-Friend** or other **recruitment-focused activities** should have online registration. This ensures that families receive follow-up communications with registration information after the event.
 - If registration is required, but the guest did not register online, they can still participate! Simply ask the family to complete the registration online after the activity.
- Please contact MemberGrowth@girlguides.ca to set up an online registration form.

Other Activities

- Activities that are not recruitment-focused do not require online registration.
