

“You Belong” at March Mingle 2025 Session Descriptions

Belonging 1 - Songs, Games, & Crafts

As Guiders, we love making our meetings a fun and exciting experience. However, our well-meaning activities might unintentionally exclude some members and discourage others from joining.

Join us for an engaging and interactive session where we'll explore what makes our songs, games, and crafts so enjoyable for our units. We'll also identify where we might need to be more mindful or consider retiring old favourites. This session will be led by our fantastic Trefoil Guild members, who are also DEIA facilitators.

Bonus: We will have a fun craft to keep your hands busy while we chat.

Belonging 2 - Events, Outings, & Camps

Special events, outings, and camps are highlights of Guiding. With so many exciting elements, it's a fantastic opportunity to ensure that our locations, occasions, activities, and food are inclusive and welcoming for everyone.

Join us for an engaging and interactive session where we'll help you create plans that make everyone feel the incredible sense of belonging at the heart of Guiding. This session will be led by our incredible Trefoil Guild members, who are DEIA facilitators and Safe Guide Advisors.

Bonus: We will have a fun craft to keep your hands busy while we chat.
