

# YOUTH VOLUNTEER APPRECIATION EVENT – THE KENSINGTON CAPER SCAVENGER HUNT

In celebration of the units and youth members who helped make our events possible, we are inviting you to join us **June 6** for a scavenger hunt and lunch.

- You can register as a unit – see the last page to see if your unit is listed and check in with your unit before you register as an individual.
  - If your unit is not on the list, you got the invitation as a individual.
  - If your unit is not attending but you want to come, you're welcome to join as an individual!
- Scavenger Hunt will be a Unit led exercise through an app. We will send instructions to all Guiders how to access the hunt.
- Larger Units will be asked to split into smaller groups and provide at least one Guider. We will have volunteers eager to help out and ensure one guider per group.
- You can register as an individual but must be at the Guide Center for 8:45am for the morning scavenger hunt or 1:15pm for the afternoon scavenger hunt.
- You can choose to do your scavenger hunt in the morning (suggested time is 9:00am start) or in the afternoon (Suggested time is 1:30pm start). Starting from the Guide Center is handy for return and lunch!
- Everyone will meet to end or start their hunt at the Guide Center at 12:00pm for Lunch and Thank You's! **Lunch will be provided.**
- There will be an option to just join us for lunch too!
- Scooters or bikes may be used if group is in agreement and **only if** local bylaws are followed. Please plan as a unit the mode of transportation. **Helmets must be worn.**
- Units to reach out if there is any concerns about the activity! We can support units with leaders who don't think they are able to do the scavenger hunt, and work through accommodations so everyone can participate!

**Cost is \$5/youth member.**

At the time of registration, you will be asked to register your unit including names of participants. We ask that you offer this to youth members who actively participated in volunteering for our events. This is meant to be a special event!

THE KENSINGTON CAPER

A VERY DIFFERENT (AND EVEN MORE FUN) WAY TO EXPLORE CALGARY'S UNIQUE URBAN VILLAGE AND ITS SURROUNDING AREA.

A new film festival is about to start tonight with 'The Kensington Caper' - a hilarious new low-budget comedy filmed by a local director about a charismatic group of locals that are the heart and soul of the community. The director is flying in from Hollywood to host the this group as her guests, but in the mayhem of the festival opening, the theatre manager has lost the guest list. Knowing that YOU, a renowned team of cluesolvers happen to be in town, the manager has reached out to see if you have what it takes to save the day.

- 2 hours
- 3.3km (plus walk to and from Guide Center about 6km total)
- Mostly flat paths and paved trails, with a few stairs

**If you unit is listed, please check in with them first before registering as an individual!**
