#### ***Ranger Unit Guider Package***

***Welcome to Nite Trek!*** We are pleased that you are joining us on this adventure. This package is designed to answer your questions about this year's event. In it you will find transportation details, a schedule, kit lists and maps.

## ***Important Dates:***

**Final Registration Deadline - September 18.** By this date you must have entered all participants (Girls and Adults) on the online form (link will be emailed). This is the number of Girls that your unit will pay the registration fee for – there are no refunds after this date and additional participants cannot be added. Do not bring unregistered girls to the event as they will not be allowed to participate and will be sent home.

**Mandatory Guider Meeting – September 27 at 7:30 pm** – Mandatory Guider meeting at the Guide Centre (2188 Brownsea Dr NW). We encourage you to bring your Rangers to this meeting. One Guider from each unit must be in attendance. This will be the opportunity to confirm the activities for each station, get more information and ask any questions you may have.

### ***Parent/Guardian Meeting***

We **strongly suggest** that you hold a unit Parent/Guardian Meeting to go over the information and ensure that all girls are prepared for the event.

### ***What is Nite Trek?***

Nite Trek is a night adventure hike where Pathfinders hike in teams of 4-7 and must complete challenges at stations along the way. It is a fun team building experience as the teams hike without an adult! The trail is marked with glow sticks and flagging tape and there will be adult trail walkers along the trail to keep everyone on track and safe. While anyone on the trail is encouraged to rely on their night vision to hike and not use flashlights, you may use a flashlight or headlamp if needed but they **MUST** be in red light mode or covered with red cellophane as to not impede their or other's night vision.

### ***What is the Rangers' role at Nite Trek?***

The Rangers play a crucial role at Nite Trek - they run the activities at the stations! As a Unit, they decide what the activity should be, gather the supplies and run it for each team that comes along. This means they are out on the trail first and return last – it can be a long night, but it is so much fun. There will be an adult at each station with the Rangers and each station has a radio so they can be in touch with everyone and report any concerns throughout the evening.

The Rangers also judge the teams on how well they work as a team, how well they complete the activity, and their team chant/song.

### ***The Hike***

The first teams head out on the hike at around 7 pm and the last teams start around midnight and we expect that the hike will take about 3 hours to complete. This means that the Rangers may be out until around 3:00 am.

## **Theme**

This year's theme **Trek to Olympus** is a Greek Mythology theme. All participants are encouraged to wear theme related costumes.

## **Event Times and Transportation:**

While the official Nite Trek event will take place from October 17-18, 2026, some units choose to arrive on Friday evening (October 16). If your unit chooses to arrive on Friday evening, there is no extra cost for the second night of camping. Units who camp on Friday night will be responsible for their own meals and activities until the official event starts, but will be covered under the event SG.3, so no further paperwork needs to be submitted for Safe Guide approval.

The Opening Ceremony will be at 5:00 p.m. on Saturday, the Closing Ceremony will be on Sunday at 10:30 a.m.

## **Busing**

ALL buses will leave from and return to **Ambrose University (150 Ambrose Circle SW)**. Adults can leave vehicles at Ambrose University if needed.

## **Friday Evening**

Friday evening buses will leave at 6:00 pm. At least one adult per unit must be on the bus with the girls and a minimum of one adult per bus must have valid First Aid qualifications.

## **Saturday**

Saturday buses will leave at 12:15 pm At least one adult per unit must be on the bus with the girls and a minimum of one adult per bus must have valid First Aid qualifications.

## **Sunday**

Buses will leave camp no later than 11:30 am and arrive at the busing location at approximately 1:00 pm. The parent pick up is scheduled for 1:30 pm to allow time for the buses/UHaul to be unloaded and the girls to find their gear **prior** to parents arriving. Please encourage your unit's parents/guardians to arrange carpooling to alleviate parking congestion.

## **On Site Registration**

All units must register at Lodge when they arrive onsite. At registration you will receive a package that includes name tags and pouches for all participants, a printed copy of the SG.4, a schedule, site map, description of volunteer duties and evaluation forms. You will provide the original SG.2's and 1 copy of the H.1 and H.2 forms for all participants.

At the end of the event, you will return the plastic folder with the completed evaluation forms, H.3 and H.4 forms, and the name tag pouches.

If you have any questions during the event, check in at Lodge. We will also have an information booth set up during dinner.

### ***Name tags & Health Forms***

Name tags and pouches must be worn at all times while on site. Please bring the original copies of the health forms as well as 2 copies. The unit First Aider keeps the original copy, one copy is submitted to the Event First Aider upon arrival, and the other copy is to be carried in the pouch for emergency situations.

Each unit must provide their own first aid kit for minor issues. Unit First Aiders will be responsible for collecting the girls' medications, storing them while at the event & supervising their administration as required. All medications brought to camp must be accompanied by an H.3 form and that form needs to be completed each time a medication is administered. Any first aid administered must be tracked on an H.4 form. All H.3 and H.4 forms must be submitted to Lodge before leaving site.

### ***Parking***

Parking at Camp Mockingbird is limited which is why most participants are bused to and from site. Each Unit is allowed only one vehicle to park on site, which can transport all the Unit gear. You will be instructed where to park at Camp Mockingbird on arrival by a volunteer staff member. No vehicles are allowed to be moved on site after the event starts.

### ***Camping***

We will try our best to accommodate indoor sleeping for those who have requested it. With limited indoor sleeping space due to Fire Code regulations, this may not be possible. We will let you know as soon as we can as to where your unit will be sleeping.

Units will be required to clean up the site they have used, and we appreciate any assistance with cleanup of the buildings & ists.

Fire pits are allowed to be used Friday evening and Saturday during the day. No fires Saturday evening as it will interfere with the girls' night vision on the trail. There will be a community fire (if there is no fire ban) at Chickadee, monitored by Hospitality on Saturday evening. Campfire will be at 6:30 p.m.

### ***Water***

Each unit is asked to bring enough water for personal use during the event. (Suggested amount is approximately 4L per person).

### ***Sanitation***

Please do your dish washing at your own tent site, bring a pail and strainer (e.g. panty hose) to empty your dishwater into. The water then can be emptied into the site Liquid Disposal Pit (LDP). The panty hose will be put into the Unit garbage, which you will take home.

There are latrines and/or porta-potties on each site. Sanitary supplies (pads & tampons) are to be disposed of in the brown bags provided, NOT down the lats or porta-potties.

### ***Garbage***

Each Unit is responsible for taking its own garbage home. We are also looking for some volunteers to help take home the event garbage.

### ***First Aid***

The Event First Aiders will be at Lodge for the duration of the event. Minor first aid situations (as listed in the SG.4) as well as regular medications will be looked after by each unit first aider. Please hand in all first aid (H.4) and medication forms (H.3) to the First Aid Station at the end of the event on Sunday.

### ***Hospitality***

We will have a Hospitality station set up in Chickadee site during the hike. We welcome anyone to pop in to join us throughout the night. There will be hot drinks available - bring your own mug. We ask that you give priority space in the building to girls who are coming off the trail.

### ***Program (all held in the flagpole area outside Lodge)***

Rangers will be asked to help run games for the Pathfinders from 3:30-5:00 followed by a brief opening ceremony at 5:00 pm. The closing ceremony will be held Sunday at 10:30 am where the awards will be presented.

### ***Evaluations***

Each participant is asked to complete an evaluation form. These help us to plan the next year's event, so please take the time to give us your constructive comments and what you would like to see at future events. Sorry, we have no control on the weather!

This list is a list of suggested minimum requirements. We are trusting that you know what you need to make your weekend enjoyable.

**All items are to be labeled with the Unit/District name!!!**

## **CAMP KIT LIST**

This is a list of things that each camper will need for her adventures at Nite Trek. These are general guidelines and a minimum of what the girls need to have for the weekend. Leaders, please add to this as you see fit for your unit. Some of these items will also need to be taken in the daypack on the hike. Please see the hike kit list for specifics of what needs to be packed.

All gear should be waterproofed and packed in a large backpack or duffle bag. Large suitcases are not suitable for this kind of camping as they are not waterproof.

- Sleeping bag
- Extra blanket/sleeping bag liner

**All items are to be labeled with participant's name!!!**

\*\*\*Please note that girls are not allowed to bring or wear any glow products as it may interfere with the ability of others to follow the trail. Any girls with glow sticks will have them confiscated at Step-Off. If they are caught with glow sticks while on the trail, they will be confiscated as well as the team will be disqualified (they will be allowed to finish the trail and the event, just not have their score count.)\*\*\*

## **STATION KIT LIST**

Nite Trek is to be a fun and rewarding experience for all. Being Outside and Experiencing the Outdoors, using your night vision and building Teamwork skills is truly a part of building fond memories. Please ensure that EVERYONE is **dressed for the weather** so that all the Guiders and Girls at the event can have a wonderful experience.

Due to Alberta's ever-changing weather we strongly recommend dressing in layers. We will be in the mountain foothills, so the temperature can drop rapidly throughout the evening. The list below is what girls should WEAR OR BRING in a knapsack for the hike.

- Winter Jacket & Snow Pants
- Toque
- Mittens/gloves
- Extra socks (2 pairs minimum)
- At least two bread bags in case footwear gets wet
- Flashlight/headlamp covered with red cellophane (with extra batteries)
- Extra flashlight batteries
- Sit-upon
- Whistle
- 1 water bottle (1 litre) FULL!!!
- Personal First Aid Kit (including moleskin, Band-Aids, and a tensor bandage)
- Medication (if needed)
- Mug with lid for drinks
- Nut free snacks (e.g. granola bar, beef jerky, etc.)
- Toilet paper, Ziploc baggies and hand sanitizer
- WEAR: Sturdy walking boots/shoes or winter boots
- DRESS warm in layers

Please ensure **each parent** is given the complete "Parent Package" including the map to camp. We wish to provide each parent with enough information that they can comfortably register their daughter while knowing that we take her safety to be of great importance to the success of the event.

***Thank You for joining us. We hope you have a wonderful adventure!***

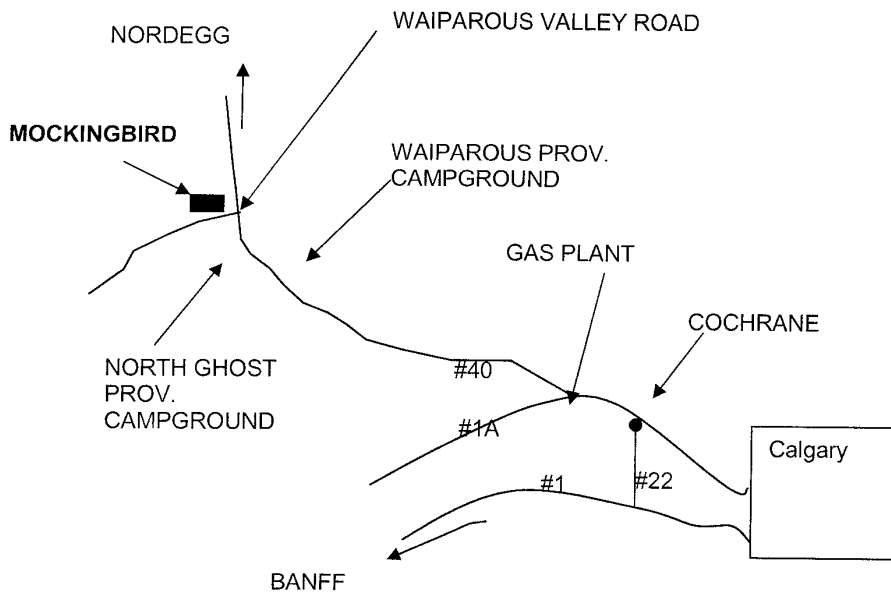

Bussing is provided to and from camp for all girls, and at least one adult from each unit. Each unit may have one vehicle on site to bring camping gear and other adults from the unit.
